DESCRIPTION: Great looking and performing all-purpose Pearson recurve. The riser is weighty and well balanced—does a great job providing balance and absorbing limb shock. Bow has been refinished. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in very good condition. No drilled holes; No chips, dings or cracks. No crazing or stress cracks; a couple of superficial stress lines in the riser fade-outs; a few minor scratches and nicks here and there. I saved the original decal while refinishing the limbs, but it is only in fair condition. Overall, this is a really nice bow in excellent condition for its age. Also, a good shooter.
