PRIVATE LESSONS:

Private lessons are held on Fridays, and are arranged between you and your child's coach. They are extremely beneficial for preparing for competition or improving on a specific skill. **Please note that skaters in their first year on the intermediate session may have a private lesson with a coach, but are not eligible to skate the Friday night free skate session alone until their second year in intermediate. All other skaters may skate the Friday night free skate but must follow the code of conduct.** All lessons and money transactions are between you and the coach.

These rates do not include Synchronize skating—please see registration form for complete details.

ADDITIONAL FEES AND REQUIREMENTS:

FUNDRAISING—Fundraising is critical to the survival of our club as the costs of running our programs have increased dramatically over the last few years! The board has chosen a number of fundraising events that our club is going to participate in over the season. Other fundraisers may pop up throughout our season as COVID-19 safety restrictions lift.

- Tag Day ~ Thanksgiving Weekend
- Stephen's Butcher Shop Meat Fundraiser ~ Fall and Spring
- Raffle or 50/50 ~ Date to be determined Carnival ~ April 2, 2022

PLEASE REVIEW THE PORT CARLING SKATING CLUB HANDBOOK FOR FULL DETAILS.

SYNCHRONIZE SKATING

The Port Carling Skating Club is proud to be the home of three youth synchronized skating teams and two adult teams! The cost of joining the Synchro team is separate from our regular registration and all youth skaters must be registered for a minimum of one star skate program at the club of their choice. If your skater is interested in joining a team, please email club for further details.

SKATERS CODE OF CONDUCT

All skaters and parents need to be aware of what is expected of them at each skating lesson. A comprehensive skater's code of conduct has been developed we ask that you please read, sign and return the bottom portion of the code to indicate that you have reviewed this document with your skater.
