New Business

- State Bank of Lizton charged a fee (\$8) on the savings account due to inactivity. Susan and Carol will see what we can do to get this waived and find out what we need to do to ensure that does not happen again.

Susan Shamo asked that we make sure and forward to her contact information on the new owners in Wellington so they can deliver welcome package to new home owners.

- Bob Stout had questions about the drain grate in front of his house. It looks like it is sinking. Mr. Stout was asked to work with Brandon at PSG and the Town of Plainfield.
Meeting adjourned at 7:40 pm.
