-Brian has a list of who has plaques which he will find and bring. Plaques to be awarded this season: Joe Recker. Aaron, Josh and John were discussed and will be in question after next season. The question was presented- do we want to allow people to buy their own plaques? It was decided that the board will not endorse players buying their own plaques as it is an honor to be awarded a plaque.

rule should be changed. The rule will stay the same and if players need to request a postponement it should be presented to the Board. Chris feels that if all players agree with no objections then the postponement should be approved.

Emergency Meeting 1/21/16

The meeting notes were lost so this is a summary of what took place.

Not present Brian Lewis.

The meeting was called by Steven Narvaez to discuss some complaints that were presented to him from league members.

An email, sent from Kat to Steven, was read aloud in order for Kat to voice her opinion of the ruling on the postponement and reversal of points that was discussed at the previous board meeting. The board members agreed to leave the decision as previously decided. In this email it was also brought to the board's attention that the Monday team, Tressa, from the blue board had forfeited for the 3rd time. The members of this team were spoken to and it is confirmed that they do want to finish out the season. Although the rule book states that anything over 2 forfeits, no points are awarded, the board feels this is unfair to the team that did show up because this team would end up missing an entire night's play. The board decided to award the team with ½ the night's points.

Another issue was brought to the boards' attention by Steve Lambiase through Steven Narvaez. A message was read from Steve L in regards to forfeits during the last 3 weeks of play affecting the standings and causing teams who have been leading to change positions negatively.

The board decided to revise the rule book regarding forfeits and postponements. Chris Cummins suggested to compile a committee to read over the rules and present changes to the board for approval at the next meeting. Steven Narvaez volunteered to be on the committee with Chris.

Any changes will be effective at the start of the next season. The changes will be discussed with the Captains at the season opening meeting.

Meeting start and end times are not available.
