Welcome to The Rivershack

Located on Historic River Road, adjacent to the Mississippi River, the Rivershack Tavern has been described as a cross between a neighborhood tavern, a live music club, a sports bar and a small town restaurant. Along with interesting memorabilia, the “Shack” is known for its collection of tacky ashtrays and famous “bar legs.” Bring us your best try at a tacky ashtray and we will trade you a cocktail of our choice. While you’re drinking it, don’t look down but you are probably sitting on a pair of unusual legs! All our barstools are hand made from different characters such as the Golfer to the Shrimper or even the Biker.

Bar

You're looking for a great bar? We're looking for great customers! We should get together!

In New Orleans and Metairie, finding a bar is easy. Finding a bar you want to come back to again and again... that's a little harder. We're confident that you'll find just that if you drop by the Rivershack Tavern, though. We have a huge range of drinks and beers for you to sample, and we also have the food and live music that can make your night complete!

We've got a huge selection of draft beers waiting for you. In fact, you'll have to make two trips to sample every tap; there's no way you'll make it through all of them in one night. (Don't take that as a challenge!) We have local, domestic, and imported brews. There's always a full range of Abita on tap, and you can sample some wilder beers, too. From an aggressive local IPA (NOLA Hopitoulas) to an amazingly drinkable Euro pilsner (Pilsner Urquell) to a deep, dark, mysterious German lager (Warsteiner Dunkel), we can match you up with the beer of your dreams.

Our bartenders pride themselves on their mixological wizardry. They can put together any drink you can name, and about a dozen you can't. Check out the nightly specials if you're in the mood for a walk on the wild side. You should also try our regulars' favorites, like the beloved River Rita. It'll cool you down, smooth you out, and then fire you up again.

Good drinks at great prices are only part of what makes the Rivershack the finest Metairie bar you'll ever visit. You'll be able to kick back and really get comfortable thanks to our local tavern atmosphere. There's no snootiness, no fancy dress code; just a pack of friendly folks having fun because that's what they do. We'd love for you to join us and become part of the regular Rivershack crowd.

Don't forget that we have an amazing menu of fresh, hot food, as well as live music five nights a week! The Rivershack is the only stop you need to make to enjoy a great night out on the town. Come on over and see what the fuss is about; we'll bet that your first visit won't be your last!

Menu

The Rivershack Tavern serves only the freshest meats, cheese, vegetables and breads available. The kitchen opens at 11 a.m. and stays open late seven days a week. Call (504) 834-4938 to place orders for carry-out. (May not be available during busy lunch hours.)

History

Characterized as New Orleans' most unusual bar, the Rivershack Tavern is known to have been, at various times, a grocery store, a bar, a restaurant, a package liquor store, and a pharmacy. The "shack" was thrust into the national spotlight when old asbestos shingles were removed from the sides of the 100-year-old building. Underneath, miraculously preserved for over half of a century, were large, vibrantly colored, hand-painted advertisements from the 1940s in virtual mint condition!

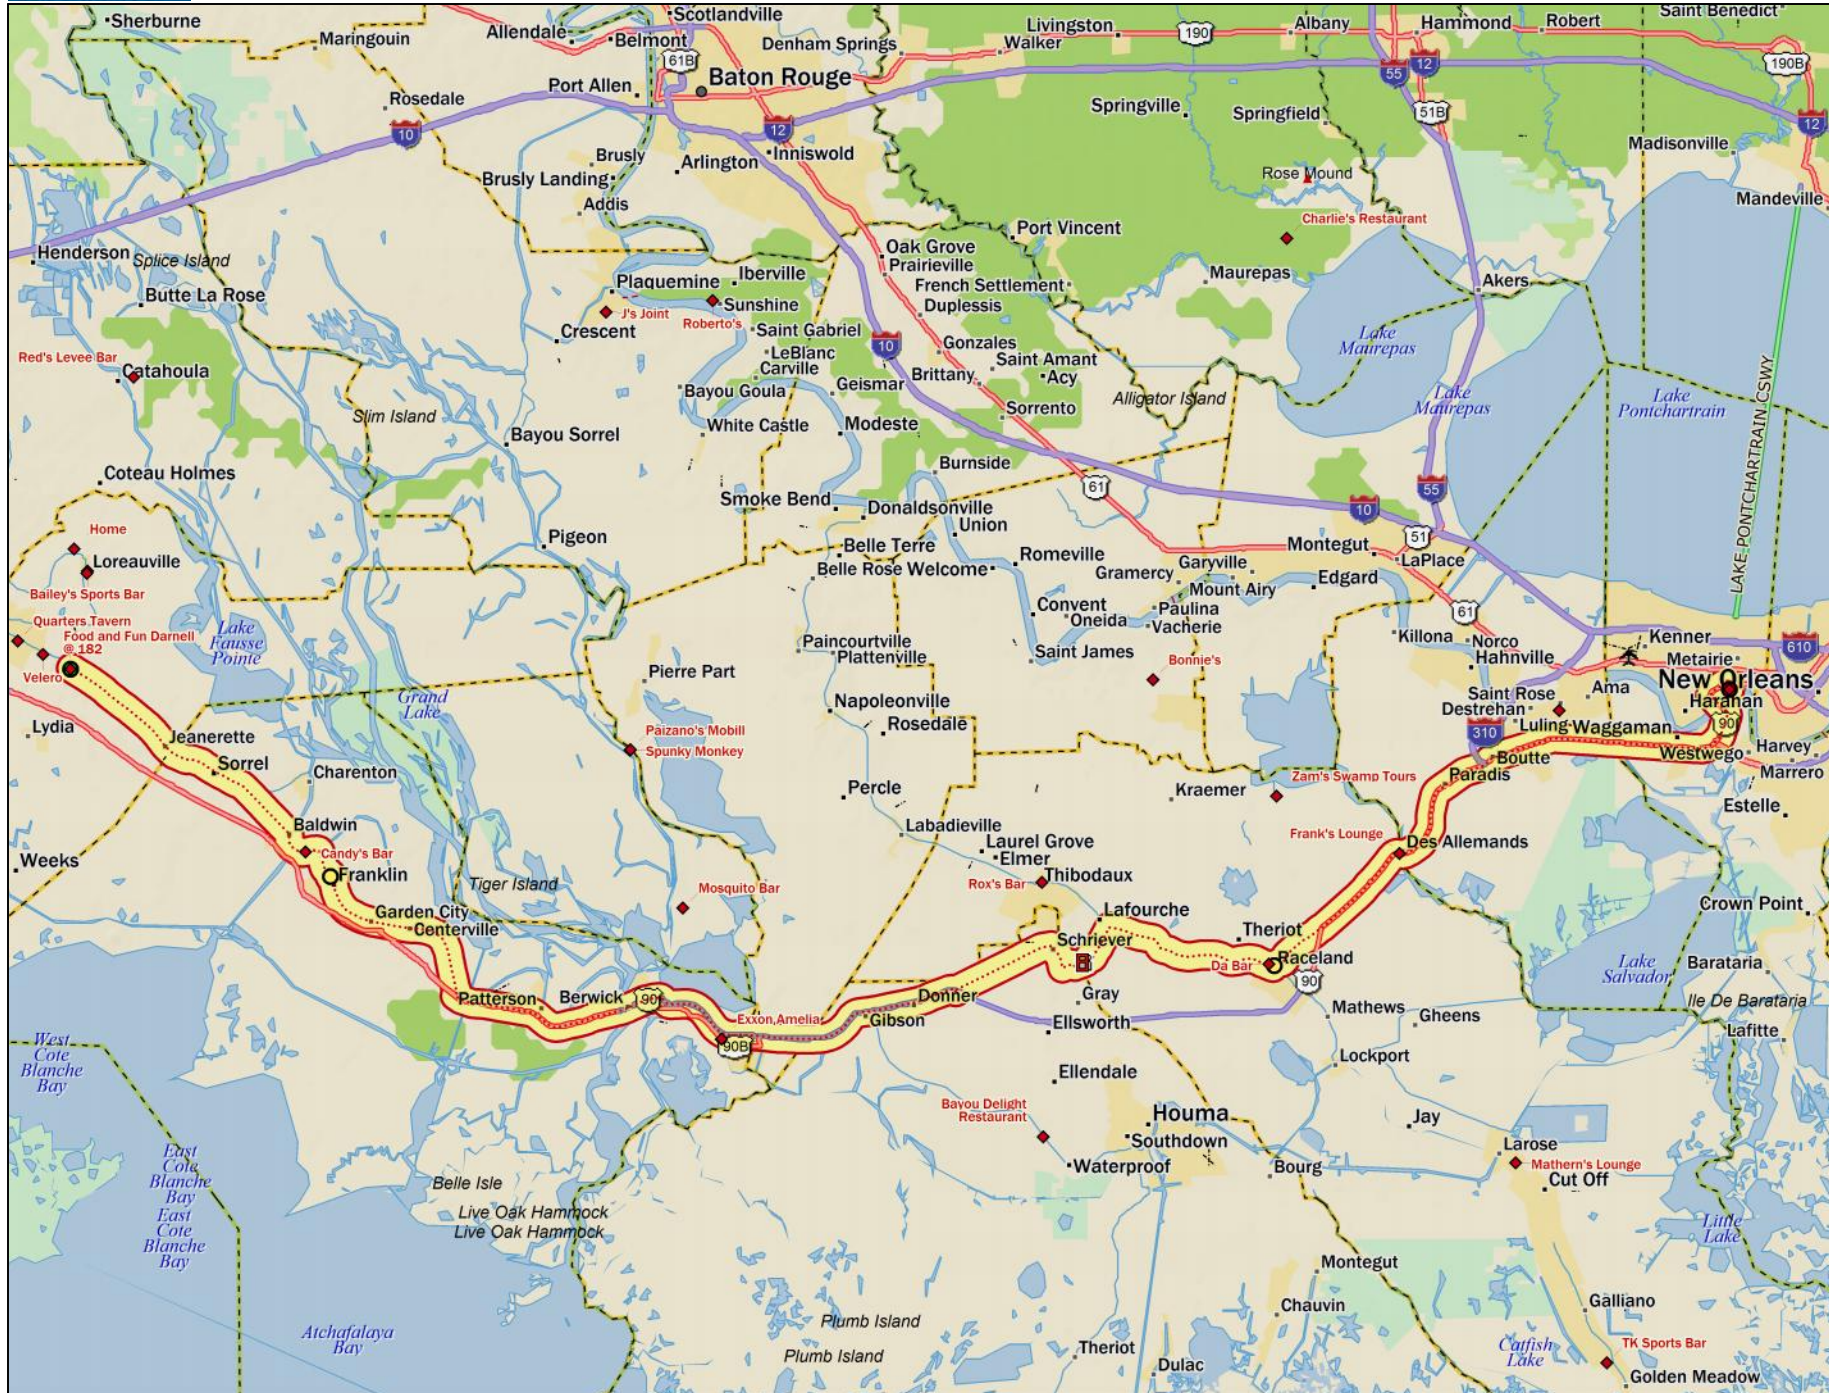

The Rivershack Tavern is also the home of the Tacky Ashtray. The Rivershack's collection really grew when drinks were traded for ashtrays brought in by customers. Don't forget to bring in YOUR tacky ashtray – we'll trade you for the drink of our choice! The tackiness of your ashtray will determine the value of the beverage.

1992 brought the addition of the Rivershack's famous "Bar Legs" barstools. Made on the premises, these barstools are designed to reflect people from all walks of life. Included in the collection you'll find the Golfer, the Cowboy, and the Shrimper.
