

The Steele's

Missionaries to the Local Churches of America

Update - Summer 2016

Dear Pastor and Church Family,

Thank you for your faithful prayers and support as Ginger and I travel on deputation. God is faithful! He has met all of our needs and blessed abundantly as we have traveled more than 5,000 miles over the last two months. We have had the privilege of being in a missions conference, a church planters conference and seventeen other churches, many of which we were able to preach and/or present our ministry. God has also allowed us to help several churches along the way by filling the pulpit for pastors that were out of town and by conducting a children's program and nursery during a special anniversary service.

Our schedule for the upcoming months is looking good with meetings in Texas and Florida, two missions conferences in Texas, and a church growth conference in Kentucky. Please pray that our schedule will continue to fill up for the remainder of this year and on into 2017. Pray that God's people will be burdened for their own country. Romans 10:14 says, "*How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?*" Sadly, this is the condition of our country today. Many people have never stepped foot in a church or heard the truth. Many people are searching for something to fill the void and are going to churches where the gospel is never preached. They leave just as empty as they were when they arrived. There is a great need for planting more independent fundamental Baptist churches in America and strengthening the churches that already exist. Pray that God will move in hearts to partner with us so we can get on the field as soon as possible.

For His Glory,

Todd and Ginger Steele

Prayer Requests

- Pray for the Lord's wisdom and guidance during this time of transition as we schedule meetings and travel.
- Pray for continual spiritual growth in our lives and protection from the attacks of Satan.
- Pray that we would be a blessing to others and a faithful witness for Christ as we travel.
- Pray for us as we move into our travel trailer and that God will provide a truck that is able to pull it.

Missions Trip

Last week Ginger and I were able to go on our first mission trip. We drove a van with a group from our home church, Trinity Baptist, to the Navajo Reservation in Ganado, Arizona. What a blessing it was to see what God has done in the hearts of the Navajo people and the excitement of new churches being planted! We were able to attend a revival at Ganado Baptist Church and also attend services at Chambers Baptist Church, and Solid Rock Baptist Church. We had the privilege of knocking doors and giving out the gospel message in Indian Wells and Nazalini. We witnessed seven souls come to know Jesus, and eight more were born again during the revival services! What a joy and blessing to serve the Lord!
