Rogue Valley Bassmasters

March 2019

Next Meeting

The next club meeting will held on Tuesday, April 2 at 6:30 pm at Bobbio's Pizza at 312 Oak Street, Central Point.

At this meeting we will discuss the bylaws. Please take some time to read the new updated bylaws posted on the "News" page on the website. These bylaws were discussed at the last meeting with copies distributed. Much has been added to protect the members and the club, so be sure to read them.

March Tournament

The next tournament is at Shasta Lake on March 16 and 17. Blast off will be around 7 am from Packers Bay. Don't forget to bring your proof of insurance if you haven't provided that yet to the tournament director. It ought to be a beautiful weekend, but be careful of debris in the water.

Presentations

Does anyone want to give a presentation to the club or know somehow who would have something interesting and valuable to share? If so, let Steve know. It would be a good addition to our monthly meetings.

April Tournament

The April tournament is at Trinity. Just in case the weather is not good, the backup lake is Galesville. If you're going to make it to Trinity, the cabins we all stayed in last year is called Pinewood Resort. Call Marie at 1-707-599-8755. The website says they are supposed to be open by then.

*"That settles it. We either get a bigger boat,
or cut back on the fishing equipment."*
