

The Gondo Classic To Benefit Venice High

For over 20 years the Gondolier Booster Club has held a golfing event to raise funds for specific needs and projects of the school.

Proceeds from the tournament are distributed to school teams, groups, and clubs to support their missions. In the last year we provided pitching protection and hitting nets for both the baseball and softball teams, purchased new wall mats for the East Gym, and installed a much needed ice machine that is used by our Sports Medicine Program and all the athletic teams. In addition, we paid 50% of Venice's \$8400 membership fee to the CIF.

In the next year we hope to fund electronic scoreboards for the softball and baseball teams, new soccer goals, basketball hoops as well as play production costs.

We thank you for your continuing support through the years and appreciate your understanding of how vital it is to maintain this funding stream for Venice High School.
