QUALIFYING:

- 1) Qualifying fees are \$3.00 per sheet. Fees **must be paid** before the darter begins any qualifying attempt(s).
- 2) **All sheets paid for are non-refundable and non-transferable. No credit will be extended.**
- 3) **Regular qualifying: A maximum of 3 sheets per person can be purchased at a time and thrown.** 3 Additional sheets can be purchased upon the previous 3 sheets being turned in by the scorer, either by qualifying attempt or incomplete sheet (D.N.F.).
- 4) **BOGO: A maximum of 2 sheets (buy 2, get 2 free) per person can be purchased at a time.** Additional sheets = (buy 2, get 2 free) can be purchased upon the previous 4 sheets being turned in by the scorer, either by qualifying attempt or incomplete sheet (D.N.F.).
- 5) On a REGULAR or BOGO Night any outstanding (UN-scored, returned) or new purchased sheets go to the bottom of the stack so others can qualify. This will also apply to breaks that are longer than the 5-min wait time.

- 6) **Men** - Each attempt consists of 3 games of **501 straight in, double out**
- 7) **Women** - Each attempt consists of 3 games of **301 straight in, double out**
- 8) You will be shooting for the lowest number of darts to complete a total for 3 games
- 9) The qualifying score used for determining the All*Star team is the *SUM* of 3 games total for a given qualifying attempt. A game from a different score sheet may not be used to calculate the qualifying score.
- 10) Once a darters name has been called to a board, you will have a 5-minute (max) wait time to be at the board.
- 11) If a darter is not present at the board by the 5-minute (max) wait time, the qualifier sheet will be placed at the bottom of the stack.
- 12) The darter may warm up **9 darts max** (on the game board) before starting each game of a qualifying attempt. The darter must inform the scorekeeper when they are ready to begin each game prior to throwing the first dart of that game.
- 13) Once the first game has begun, all three games *must be completed* without a break.
- 14) For safety reasons: All games will be monitored/scored by DDA board members and/or All*Star Committee Members at tables. Scores must be verified by scorekeeper before darts are pulled from the board. If there is no verification, the scorekeeper will list that round as a zero (0) score and 3 thrown darts.
- 15) Any darter that is caught intentionally cheating while qualifying or who shows/has an Un-sportsmanship manner will be disqualified from making the All*Star Team
- 16) Each leg of a qualifier consists of 30 (*max out*) thrown darts or less for a given leg. Once a leg starts, all darts thrown count in succession as the 30 (*max out*) thrown darts or less for a given leg.

Example: Game 1)	<u>22</u>		<u>22</u>
	# darts thrown	Max out (30)	Game 1 total
Game 2)	<u>17</u>		<u>17</u>
	# darts thrown	Max out (30)	Game 2 total
Game 3)	<u>30</u>	<u>30</u>	<u>30</u>
	# darts thrown	Max out (30)	Game 3 total
Total of 3 games: <u>69</u>			

- 17) The sum of all thrown darts counts as the score for a given leg.
- 18) All bounce-outs or robin-hoods are counted as darts thrown and **cannot be re-thrown**.
- 19) A "bust" on dart one or two will be scored as three darts. Dart(s) are pulled and next round begins.
- 20) If someone gives up during a qualifying attempt, that leg and therefore the entire attempt is unfinished and **may not be resumed** later. The score sheet will be marked D.N.F. for the leg and the overall qualifying score will be recorded as a D.N.F. (Did Not Finish).
- 21) **Ties ...Upon the final night of Qualifiers** To determine the All*Star Team...On all tied qualifier sheets the lowest score in a leg of thrown darts out of your 3-game total will be used.

Example 2 darters have the same low score of 54
