It's the Ride for Sight's Silver Anniversary and we'll be pulling out all the stops to make the 25th edition of the event something to be remembered!

We're happy to once again be teaming up with the Cheyenne Eye Clinic as our title sponsor for the ninth consecutive year making them one of the longest-standing sponsors of a community charity ride in the Rocky Mountain region.

Our event this year kicks off on Saturday evening, Aug. 5, from 6:30-7:30 p.m. with our ever-popular pre-ride pasta dinner compliments of Piccolo Venti. We'll be returning to the historic Old West Museum for the meal and all of the museum attractions will be available for viewing before and after the dinner. As with tradition, the evening will feature a variety of door prizes plus a chance to buy tickets for a new road bike provided by Rock on Wheels and the Cheyenne Sunrise Lions Club.

The Ride for Sight itself on Sunday, Aug. 6, gets underway with a continental breakfast at 6 a.m. at the North Cheyenne Community Park. As always, riders will have their choice of several route options of 10, 20, 30, 40 and 50 miles plus the full century or the metric routes of 50 and 100 kilometers. Needless to say, you can ride any distance you desire by just turning around at your own convenience.

Riders will find rest stops every 10 miles featuring drinks, fruit, snacks and energy foods plus toilet facilities. The event will close with a post-ride lunch in addition to the awarding of various participation prizes. And, don't worry about racing back for lunch as it will be available until the final rider has cleared the course. Even if you are running really late, we'll package a meal for you!

The Ride for Sight is fully supported with sag wagons, roving mechanics and HAM radio assistance. Nobody gets left on the course, either, as we carefully patrol the route at the end of the day and monitor every rider. And, of course, it wouldn't be the Ride for Sight without your complimentary T-shirt, water bottle, meal tickets, discount coupons and merchandise prizes!

*Please Remember - Helmets Are Mandatory!
and
All riders must start their return to the park at 12 noon.*
