

Welcome to the 2020 NPC JUNIOR USA,

Wow!!! What a year. The Covid-19 Pandemic has tried to it's hardest to keep this show from happening. Covid-19 has done it's best through gym closures, food shortages and basic life disruption to keep you from this National stage. Yet here we are, here YOU are, preparing to battle for an IFBB PRO LEAGUE "Pro Card". Shannon and I are so grateful for this opportunity and so PROUD of all the athletes who have continued to push through all that has been put before you. We are so thankful for all your support, and with that said ***"WELCOME TO THE 2020 NPC JUNIOR USA"!!!***

GOOD LUCK!!!!!!!!!!
