

Turkish food is made for sharing, enjoying at a slow leisurely pace, as we cook from fresh it can take up to 20 minutes between courses, however if you are in a hurry just let our waiting staff know and we will do what we can to get you away on time. If you need any help understanding our menu, again just ask and we will happily explain each dish.

So sit back, relax, stay a while and enjoy your meal, or as we say in Turkey "Afiyet olsun".
