FRIENDS OF CABRITO HOUSE

7552 REMMET AVENUE
CANOGA PARK, CA. 91393
818-704-5175

The Cabrito House, established in 1970, began out of a need for a men's recovery house in the West San Fernando Valley. For over thirty years the Cabrito House has offered a strict six to nine month program that requires all residents to have employment and attend AA meetings and functions. The Cabrito House has helped thousands of men recover from Alcoholism and integrate themselves back into the community.

The purpose of this letter is to ask for your help and invite you to become a Charter Member of "THE FRIENDS OF CABRITO HOUSE." This organization is an annual contribution program formed in the hope of creating an annuity for the Cabrito House to meet its ever-increasing operating expenses.

In the last fiscal year the residents of the house paid rent in the amount of \$35,530 while house operating expenses were \$62,840. Even with our successful Golf tournament and other fundraisers we struggle from month to month.

The Cabrito House operates on a non-profit basis. A board of trustees, "The Cabrito Foundation, Inc." governs, and no board member receives compensation for their work. One hundred percent of all donations go to operating the House.

Even with all the House has achieved, there is much more that must be done. Those in need depend on the generosity of others like you.

We would appreciate any donation you can afford, and all contributions are deductible under IRS tax code 501 c3.

We would like to thank you in advance for your support and contribution to "FRIENDS OF CABRITO HOUSE."

Sincerely,

Stan Galperson PsyD
