- General Public \$1,250 (US)
- PESC Member \$995 (US)

Wednesday October 18, 2017

- One Day Pass \$395 (US)

PESC requires that all speakers, moderators, chairs and attendees of Data Symposia & Summits register and pay to attend Data Symposia & Summits. PESC thanks all speakers and is grateful for their efforts in volunteering to provide updates and presentations. Only in rare instances, however (that is if a speaker is only attending a Data Symposium & Summit for a specific session or presentation), can registration fees be waived and only by the PESC office.

All General and Breakout Summit Sessions and events are open to all registered attendees. Dress code is business casual. Transparent collaboration, engaging discussions, awareness of technical resources and best practices, identification of emerging technologies, new business contacts, and tips from experts of leading community organizations can be expected.

Note that General Sessions are presented in typical conference format in which featured speakers present on a certain topic followed by brief Q&A; while Breakout Sessions follow a more informal workshop format in which group members roll up their sleeves, discuss and interact in more detail in order to advance the group activities and maximize in-person convening time.

GENERAL SESSION PRESENTATIONS

For MODERATORS, the role is to open the session, make introductions, welcome attendees, introduce speakers, handle Q & A, and ensure that sessions start and end on time.

For SPEAKERS, all hardware and software is ready and set up (laptop, projector, screen, podium, microphone, etc.). If speakers have a specific presentation, they can simply bring it with them on USB and plug it in right before the scheduled presentation. PESC can also swap in/out laptops if needed. Note that Powerpoint Presentations are NOT required.

TIPS For PRESENTATIONS: Remember to communicate the basic information and speak directly into the microphone: what is the name of the topic, who owns or administers it, how is it funded, what's its status and when is it effective, who is it for (students?), what are the next steps? Fonts used in Powerpoint should be large (18+). PESC can also coordinate printing and distribution of handouts if submitted one week prior to the Summit. Lastly, there is no template slide to use for presentations. Please use your own logos and your creative energy to capture the attention and imagination of the PESC attendees.

BREAKOUT SESSIONS

For BREAKOUT SESSIONS, each room, if needed, is equipped with projector, screen and speaker phone and may be setup in U-Shape format. Group Chairs are responsible for managing and facilitating all sessions and preparing and distributing respective agendas and information.
