

Merit Badges at Miakonda

Saturday, December 30, 2017
8:15-4:00, with lunch provided
Fee per Scout: \$18.00

Boy Scouts,

Here's a new event to help you learn new skills and hopefully earn a merit badge over the winter holiday. Please note that the goal of this event is for each Scout to learn as they complete requirements toward a merit badge, but earning the entire badge is not guaranteed. This new event is hosted at Camp Miakonda by the Erie Shores Council Advancement Committee.

All sessions will have dedicated classrooms in the program areas and cabins at Camp Miakonda. Scouts should obviously "Be Prepared" for class sessions to include teaching and activity time both indoors and outdoors depending on the course content.

The schedule will be blocked for one merit badge all day. The exception is the combination course of Safety & Traffic Safety taught together throughout the day.

Each merit badge is limited to 15 participants, except Surveying which is limited to 20.

The merit badges available are:

- | | | |
|--------------------|------------------------------------|--------------------------|
| ART* | RADIO | SCOUTING HERITAGE |
| FIRE SAFETY | ROBOTICS | SURVEYING |
| GEOLOGY | SAFETY & TRAFFIC SAFETY | WEATHER |
| PLUMBING | | |

Class registration and payment are available at www.erieshorescouncil.org/mbbc

Registration closes on December 21.

* Art will focus on wildlife art & education.

Questions?

Event Director Jeff Smarkel jeffsmarkel@aol.com
Staff Advisor Alan Lepard alan.lepard@scouting.org

Sorry, but overnight camping will not be offered.
