

Wine Table	
Wood Type:	Poplar
Description:	<p>If you are headed out for a picnic in the park, a concert on the lawn, or a wine tasting at the vineyard, this portable wine table is perfect for an anywhere, anytime occasion. You can also use it in your own backyard or patio.</p> <p>Designed to hold your favorite stemware, solo cups, or yeti mugs, this unique table comes in two styles – one that can penetrate the surface of the ground and the other which features a standalone base. A bottle of your favorite wine will slide easily into the holder, which also acts as a stabilizer for the table. When done, simply fold the surface of the table flat for easy carrying and storage. Wood options include durable finished cedar, cherry, or oak with different stain options as pictured below. Pop the cork and enjoy.</p> <p>Size: 27”H x 12”W</p>
