

Hi, my name is Anna and I am the office manager at Jump! Gymnastics. After getting my Bachelor's degree in business from Indiana University, I moved to Austin and found my work home here with Jump! I have been here for almost 3 years now. Growing up, I was a competitive gymnast for 11 years so the sport is in my blood. Formerly a Jump! coach, I now run the office full time. It's been really great getting to be involved with my favorite sport and utilize my love for the business world at the same time. Come stop by the office and see me!
