Seeking a fully licensed LPC, LMFT or LCSW to join our private practice in the West Houston area. The position offers about 20 hours a week with the possibility of more hours as caseload increases. The schedule is flexible, but at least one evening a week and one Saturday a month are required. This position offers a great opportunity for growth. You will be expected to work and see clients at the office, even though telehealth is available.

#### JOB DESCRIPTION:

- Provide individual, couple's and family therapy to children, teenagers and adults at the clinic.
- Complete all documentation related to sessions in a timely fashion
- Submit and process claims for yourself and other clinicians.
- Administrative duties such as answering phones, scheduling clients, coping, scanning files etc.
- Contribute to the overall growth of Life Cycles Counseling, for example attending networking meetings, writing a blog and marketing.

#### POSITION REQUIREMENTS:

- Master's Degree in Counseling, Clinical Psychology, Marriage and Family Therapy, Social Work or closely related field.
- Fully licensed in the state of Texas (LPC, LMFT, LCSW).
- Spanish Speaking preferred
- 2 years post licensure preferred
- Must have some experience and be willing to work with children
- Must have strong organizational skills
- Must have your own malpractice insurance
- Must be proficient in CBT
- Special consideration given to candidates with training in DBT, EMDR, play therapy or other specialized treatment modalities.
- Preference given to clinicians already in network with major insurances.

#### OUR COMMITMENT:

- Full training and support
- A calm, professional office environment
- Opportunity for growth
- Credentialing support for insurance companies (if needed)
- Monthly hourly pay for admin tasks + bonus for clients seen + yearly bonus. Pay is commensurate with experience and specialization.
