## **Be still**

By Pastor Mark Jeske

It's not so very hard to be brave when you have weapons and superior field position. It is another thing entirely to be brave when you are essentially unarmed, trying to take care of a massive civilian population, have your back to water, and are facing massed Egyptian infantry with six hundred chariots.

Here is one reason why Moses is such a hero. At age 80 he encouraged the terrified Israelites not to believe their eyes but to believe the words of God. **"Moses answered the people, 'Do not be afraid. Stand firm and you will see the deliverance the Lord will bring you today. The Egyptians you see today you will never see again. The Lord will fight for you; you need only to be still'"** (Exodus 14:13,14).

He was right. God simply arranged for the drowning of their foes as they watched.

Any fool can be confident after a victory. God does his best work in building our faith during our times of waiting, testing, and suffering. When God calls us to action, we need to move. But sometimes, when faced by huge obstacles, we need only to listen to God's words and be still.

A handwritten signature in black ink that reads "Pastor Mark Jeske". The signature is written in a cursive, flowing style.

Dear Members of St. Johns,

I would like to thank everyone who donated to the WELS Fair Booth Fund this year. We received \$217.00 in donations which will go for getting supplies and door prizes.

I had an opportunity to work 2 days at the fair and got to spread God's Word to many people, also enjoyed working with Pastor Seth Dorn from St. Stephen's, Beaver Dam Saturday afternoon. Thanks again for supporting the WELS Fair Booth.

Yours in Christ,

Harold Zastrow

## **Bibles and Catechisms are available to purchase in the narthex.**

Why another Bible? In 2011 the publishing house Zondervan stopped printing the 1984 NIV Bible that was used by most members of the Lutheran church bodies. Since then, replacement translations were found to be inaccurate.

An association of Lutheran professors, pastors, teachers and lay people, called The Wartburg Project, have worked together to produce a new translation that is true to our beliefs as well as God's original word, called the Evangelical Heritage Version.

Like the original books of the Bible, it is addressed to the preaching and teaching, worship life and devotional use of the Church. Although some of the language has been updated, great care was taken to keep the content true to the original.

After a lead translator produces a draft translation, each book is then reviewed by several technical reviewers on the basis of the Greek or Hebrew text. A second draft is produced which then goes through a popular review by pastors, teachers and lay people for clarity and readability. After this input is collated the final draft is prepared for publication. More information may be found at their website: [wartburgproject.org](http://wartburgproject.org)

Currently the New Testament and Psalms is available in one book with the Old Testament expected to be out in 2018. God willing a study Bible will follow and perhaps specialized products.

This Bible is not the official product of any church body or publishing house.

LUTHER'S SMALL CATECHISM is a treasure that has graced the church ever since it was first published in 1529. Throughout the centuries it has been a textbook used by hundreds of thousands of students of all ages to learn the truths of Scripture.

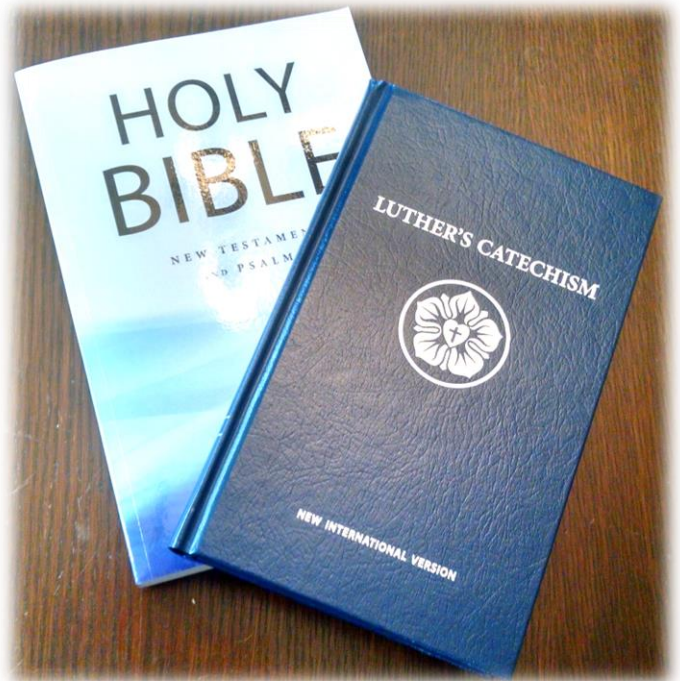

This book contains a clear and orderly presentation of Bible doctrine with Bible verses following the questions to let Scripture speak for itself and encourage students to search the Scriptures to discover God's answers. Often additional explanations are included to summarize Biblical truths.

Two noteworthy features:

- The role of law and gospel in the new-self versus old-self struggle is highlighted in the transitional units.
- Each of the 51 units ends with a connections section that could be the basis of individual or family devotions.

Luther use the catechism throughout his life and urged others to follow his example.

These books are for sale in the church library. Bibles \$15 Catechisms \$25. Payment may be placed in the metal box. Checks should be made payable to St. John's with "Library" on the memo line.

## **Central Africa Medical Mission Update    Fall 2017**

*“The heavens declare the glory of God; the skies proclaim the work of his hands.  
Day after day they pour forth speech; night after night they display knowledge.  
There is no speech or language where their voice is not heard.  
Their voice goes out into all the earth, their words to the ends of the world.” Psalm 19: 1-4 NIV*

While the Central Africa Medical Mission continues to struggle with financial challenges, we are praising God for all the blessings bestowed on CAMM in the recent months.

- Words cannot express our gratitude to Christian Aid and Relief for two substantial grants to assist our work in Zambia and Malawi. Without their support, dramatic cuts would be needed to our medical services in both countries. We give heartfelt thanks for their continued support.
- The LWMS Rocky Mountain Circuit committed to over \$1,000 last spring to assist in constructing HIV/AiDS counseling and testing shelters at two of our Malawi clinics. We have been informed that over \$1,300 has been collected and their goal is to continue collecting so a possible third shelter can be built. The two structures are completed as the building needed to be scheduled during the dry season. These shelters are attached to current clinic (church) buildings and can be used for other activities when clinic is not being held. So many smiles on our LMC staff faces! Praise be to God for the generosity of these ladies!
- Three members of the Lutheran Church of Central Africa in Zambia have been pre-approved to receive funds from the Althea Sauer Scholarship. Funds will assist them with their education to be a clinical officer, a nurse and a lab technician. Their schooling will vary from two to three years and it is our intent to hire them for the Lutheran Mission Rural Health Centre staff when completed.
- Beth Evans has been selected to be our next Nurse-in-charge for the Lutheran Mobile Clinic in Malawi. Beth served as a CAMM nurse in Malawi from 1983-1985. During her term of service, she met her future husband Gary (from England but who was also working in Malawi). Beth and Gary raised their family in the Mequon WI area and have always had a desire to return to Malawi. They are excited to have this opportunity to work again in the mission field. Beth will be departing very early January and Gary will follow in March. Gary will be our next clinic administrator. Beth has been serving on our committee as the Nurse Coordinator. We are sad that she will be stepping off the committee but rejoice that she (and Gary) will continue to serve CAMM in a new capacity. Please keep Beth and Gary in your prayers as they prepare for this journey.
- Amanda Oswalt, our current Nurse-in-charge, will be returning stateside in spring. She is completing her Masters degree and will take her final exams the end of March. Amanda Artz, our current Clinic Administrator, will be returning stateside later spring. Both ladies have been amazing to work with and Christian stewards of the gifts given to them. It is not easy to leave family and friends to work in African culture. Their ability to adjust and succeed is evident. Keep both Amanda O and Amanda A in your prayers as they prepare to transition to another chapter of their lives.
- We give thanks for each of you. Without your prayers and support, CAMM would not exist. You do make a difference. We pray the Lord continue to bless you with good health and a strong faith.

## LWMS NEWS

The **LWMS Mission Box** will be out on the octagon table in the narthex during the month of September. Mission money collected will be used to aid:

**Hmong Evangelist Training** – The Home Mission chosen at the Spring Rally. God has opened many doors into the Hmong community. As the Lord gathers people in Christ, he is raising up leaders who want to be equipped to serve as evangelists and perhaps to continue in studies to become pastors. Your gifts will support the ongoing expense for study materials, instructors, and assistance to the students.

**Apache Christian Training School** – The World Mission chosen at the Spring Rally. ACTS provides theological courses to train and equip the White Mountain and San Carlos Apache Tribes for ministry. In addition to in-class work, hands-on experience gets the men and women into the congregations to practice and model ministry. The goal is Apaches serving Apaches in this life, so more attain the goal of eternal life. The program trains Apaches to be pastors, evangelists, deacons and deaconesses, and certified Apache Lutheran teachers. The time commitment is significant. Many ACTS students struggle to make ends meet while attending evening classes in various locations. In addition, most students have families and often have menial jobs. Funding for the program itself remains a challenge. While the ACTS director is currently funded by WELS, the operational costs of the seminary and ministry school are funded only by gifts and donations. Your gifts will help to fund the following projects and others as needed: student subsidies; additional staffing; facility costs and renovations; training materials; promotion; travel expenses.

Continue to keep our **“Befriend A Mission”** assignments in your prayers: Tom Chaleunsouk serving in Thailand; Rev. Geoffrey Cortright and Pastoral Assistant David Sigrist serving in Vancouver, BC Canada and Pastor Pheng Moua serving in St. Paul, MN and all who labor in the Lord’s kingdom on our behalf.

*Apologetics 101*

*School Computer Room*

*9:15 -10:15 AM*

*Pastor Paul Schupmann*

1. **Dates:** September 10 &24, October 8 &22, November 12, December 10, January 14 & 28, February 11 & 25, March 4, April 29, May 13
2. **Participants:** 7<sup>th</sup> -12<sup>th</sup> Graders (Especially 9<sup>th</sup> - 12<sup>th</sup> Graders)
3. **Course Identification:** Prepared to Answer: Responding to Questions & Objections in an Anti-Christian World
4. **Course Objectives:**

This course allows participants to receive further training that builds on their Youth Confirmation and high school Christian education course enabling them...

- To learn more about growing in their Christian faith through the study of God's Word supplemented by other devotional and instructional tools
- To grow more comfortable with explaining their Christian faith when questioned about it
- To grow more comfortable with defending their Christian faith when faced with typical objections common in our increasingly anti-Christian world, especially in a secular campus setting

5. **Class Procedure:**

Following a basic introduction to the subject of apologetics and the need for being "prepared to answer" in September, each month we will devote our time and effort to learning how to respond to a particular objection chosen from a list by either one of the students or the instructor. Monthly assignments will consist of working together to provide a Scriptural response to the objection, while utilizing materials provided by the instructor and possible readings from the *Prepared to Answer* books. This can involve face-to-face group discussions or e-mail discussions. A regular emphasis of these assignments will be to help the student develop a familiar method for handling objections to their Christian faith. Developing a consistent devotional life will be regularly encouraged throughout the year. The final month of May will be devoted to a discussion on ways to intentionalize ongoing growth in their Christian faith when they are attending college.

6. **Preparation for Class:** The intention of this class is not to burden busy high schoolers with more work, but to equip them in their Christian faith. For that reason, reading will be limited to God's Word, the *Prepared to Answer* books, and material provided by Pastor.
7. **Resources:** Your Bible (Can't go to war without your sword!); *Prepared to Answer: Telling the Greatest Story Ever Told* and *More Prepared to Answer: Telling the Greatest Story Ever Told* by Prof. Mark A. Paustian; Handouts provided by Pastor; A sincere desire to grow in your Christian faith and in your ability to explain what you believe.

- Early Childhood Ministry meetings have concluded phase one of their meetings and will move into phase two of their meetings pertaining to starting a birth to grade four child care program. A visit by the majority of the committee to the old Dodgeland School District Buildings took place on August 7.
- Mr. Paplham assisted Mr. Cody in getting the new computers and our current computers ready for the start of the school year on August 15.
- We will have Mrs. Sarah Reik from WLCFS – Christian Family Solutions leading a presentation about bullying on Tuesday, September 26. She will be speaking to grades K-4 (12:45 – 1:45 P.M.), Grades 5-8 (1:45 – 2:45 P.M.), and a presentation for parents from 6:30 to 7:30 P.M. Child care will be provided for the evening presentation. (Parents are also welcome to attend their child's presentation as observers.)
- A new law is in place that requires students in grades 7-12 be instructed in CPR and how to use an AED. St. John's is taking steps to purchase the materials that are needed to instruct our students in these life-saving measures.
- Please continue to save General Mills Box Tops, Kwik Trip milk caps / tops, and aluminum cans for school.
- The 500<sup>th</sup> anniversary of Martin Luther nailing the ***Ninety-five Thesis*** on the Castle Church door in Wittenberg, Germany is on October 31, 2017. The classrooms will have some special opportunities to learn and revisit that historic day and the efforts to keep and share the true Word of God. The

children will also share the Reformation message in a special worship service at St. John's. All the members of the WELS are also invited to attend an even larger worship opportunity in Madison at the Alliant Energy Center Coliseum on Sunday, October 29. We are thankful for the Lord sending faithful pastors and teachers to share the true Word of God.
