

HAPPY PRESIDENTS DAY

DUE TO THE FIRCREST COMMUNITY CENTER BEING CLOSED FOR PRESIDENTS DAY, OUR MEETING WILL BE ON **Monday FEBRUARY 12th, 7 PM**

During this meeting, We will be having the honor of Bob Schroeder showing his wonderful presentation about **this years new dahlia introductions!** He does a wonderful job and I think everyone enjoys the discussions about the blooms. I know I sure do!

There will be a handout about the blooms, who is introducing them and where you can get them. Bring a pad of paper if you want to take notes on the ones you like, as well as maybe a little flashlight so you can read what you're putting down??!!

*Our tuber pak will be on Saturday, March 10th with our first sale Saturday, March 17th at the UPS Fieldhouse. We rely on our members donations to support the Dahlia Show in August. Please, check your tubers, and donate to the club to help make this years show a big success! If there's a variety you have too many of or don't want to grow any more, I assure you that there is someone out there looking for it! **Please donate**, even it is only a few, anything and everything helps. I do need to know as quickly as possible as there isn't a lot of time for me to make the labels.*

. A quick email saying what and how many you are able to donate is appreciated. Thank you in advance for your

Don Filand will be supplying the treats for the meeting. Thank you Don!
