

Dinner in the Sky

Athens from above

A unique culinary experience has finally arrived in Athens. A table of 22 guests that "floats" over the most beautiful city of the world. Enjoy a fantastic view of the Acropolis, Lycabettus, Thision, as well as the Saronic gulf and Parnitha mountain, all in one meal!

Our chef prepares delicious breakfast, lunch and dinner based on the culinary traditions of different regions within the country. Choose between the sunshine, the romantic sunset or the vibrant look of Athens at night and experience the most exciting... flight of your life!
