

Your Valley Lake Service Unit invites you to join us at Camp Elk River for a Backpacking Camp Adventure! We'll backpack into our campsites, set up your tents and secure your food. create your own marching song, unit flag/crest, hike through camp to different stations like First Aid, in case your leader twists her ankle while trying to beat those Beverly Hills Girls! Foraging for your s'mores. Archery. Knot tying. Fire Safety. Compass reading. And some basic outdoor survival and camping skills stations along the way, which of course, the Red Feathers will be the best! You will need your own tents, sleeping bags, backpacks and food as we are very limited on equipment for use and trying to keep costs low for you all to be able to attend. We'll provide programming, some certified instructors, supplies for each station, camp location, and of course, s'mores! This is an introduction to backpacking and tent camping. Please plan to pack in/pack out! Please contact Sara Garoutte Penguin0315@gmail.com with any questions or Liz Rein elizabeth.e.rein@gmail.com
