

**Cloe Pace
Girls Diving**

When did you start playing your sport and how did you get introduced to it?

I started diving in 7th grade and I heard about it through other friends who had quit gymnastics previously and joined diving.

Do you play any other sports?

No.

What has your sport taught you and what lessons have you pulled from it?

Nothing worth having comes easy and anything that comes easy isn't worth having.

What do you wish you knew when you were just starting?

I wish I knew that a huge part of diving is confidence when I first started.

What quote/inspiration do you resort to when things get hard?

Work until you no longer have to introduce yourself.

Share something about you that isn't well known.

I used to be a gymnast.

Where do you go from here? College plans?

I am planning on attending Ohio University on a diving scholarship.

Do you have a role model?

My role model(s) are all my teammates because they make me want to work harder and be better.
