She also provided copies of the slide show images for future reference.

DISTRICT MANAGERS MONTHLY REPORT INCLUDING LEGISLATIVE REPORT:
Manager Kratz reported on the following:
1. One of the service vehicles was delivered Tuesday of this week. District mechanic, Kevan, has begun modifications so that it will be ready when the season starts. We’re expecting the Jeep within the next month. Most of the modifications happen with the Jeep as soon as it arrives, Kevan will hit the ground running to get it all ready for the beginning of the 2015 season.

2. We have posted job openings and have begun the interview process for our seasonal staff. We are anticipating 7 new-hires. Only one employee from the previous season will be returning this year.

3. School presentations continue and will do so until the end of the school year. Board members should be receiving notification of those presentations. We also have some presentations scheduled with the Palmdale Water District and have contacted both city Public Works Departments, Code Enforcement and PIO’s to give a presentation. We’ve done this in the past, but it has been a few years and it’s time to do it again.

4. The District is planning to do another “Fly-over” this year to update our pool list status. We were able to touch base with the contractor who provides this service at the MVCAC meeting last month and discuss the time frame to accomplish this task. It is our plan to have it done after Memorial Day to ensure we get accurate and timely visuals.

5. We’ll be picking up the sentinel chickens on the 6th of April. Locations have already been confirmed.

6. Reminder that Ethics training is due for Trustees who have not completed the course. If you elect to do the course online – please bring in the certificate of completion for our files.
NEXT BOARD MEETING IS SCHEDULED FOR MARCH 24, 2015 AT 4:00 PM AT THE DISTRICT OFFICE

BOARD OF TRUSTEES COMMENTS: Trustee Coleman is working on getting the high school board (AVUHSD) more involved with the districts presentations – in hopes to incorporate that into high school biology and health classes. Trustee Manning stated that he is a newly appointed board member on AVPH (Antelope Valley Partners for Health). He will be attending the first meeting next month and will bring attention to the functions of AVMVCD and the importance of what we do here.

ITEMS NOT ON THE POSTED AGENDA: None

ADJOURNMENT: There being no further business to come before the Board, Board Secretary Little adjourned the meeting at 5:25 p.m. (President Persons excused himself from the meeting at 5:15 p.m.)

Respectfully Submitted: Approved:
