KENT ISLAND FEDERATION OF ARTS
"Paint Stevensville"
and the surrounds of Kent Island
4 Days!! June 4th -7th, 2020

Welcome to the Kent Island Federation of Arts' Plein Air Event. Artists will take to the harbors, Historic Sites, Countryside, Chesapeake Bay and Marshes to participate. "En plein air" is a French expression that means "in the open air" and is used to describe the art of painting outdoors. Plein Air events take place wherever the scenery is inspirational, artists congregate to paint it, and watchers gather to see the painters make art right before their eyes.

Artists will paint the picturesque spots of Kent Island and surrounding area Thursday through Sunday, June 4 -7. Artists may choose to leave piece(s) to hang at KIFA during the month of June. The first three days artwork completed will be judged Saturday evening. There will be a reception for the public and artists, as well as a "Wet Paint Sale", at Kent Island Federation of Arts.

Sunday will be the Quick Draw competition in Historic Stevensville followed by judging and Wet Paint Sale. This year we will also be holding a Youth Quick Draw competition immediately following the earlier competition.

Be a part of our event!! Pull out your paints, pastels, or pencils and set up an easel at one of the many sites available. Get up early and paint the sunrise, or stay up late and paint the sunset over the Bay and the night lights of the Kent Narrows. Participate one, two, three, or four days and/or participate in the "Quick Draw Competition".

Entry Fees
$45 Individuals … *includes participation in the Quick Draw Competition on Sunday*
$40 KIFA Members…*includes participation in the Quick Draw Competition on Sunday*
$10 Quick Draw Competition Only $5 for Youth Quick Draw Competition
