

Application: Board of Directors

[Off the Sideline](#) creates stronger communities by providing scholarships for low-income youth to participate in team sports. We are seeking board members who are passionate social equity and enabling kids to participate in sports. The Off the Sideline [Board of Directors](#) governs the overall execution of the organization's mission, including organizational finances, setting long-term priorities and sharing responsibility for day-to-day management.

Board Member responsibilities include attending a minimum of nine meetings per year, including a half-day annual planning meeting. As a working board, you may be asked to lead or participate in subcommittees which may include teleconferences, in-person meetings and active email conversations. Term length is two years.

Please include a current copy of your resume with this completed application, and email to info@offthesideline.org. Thank you for your interest in helping increase healthy opportunities for youth in our community!
