**Company**

TS Tech Canada has immediate openings for Assembly positions in its Newmarket, Ontario facility.

They have a strong "promote from within philosophy". These positions provide an excellent opportunity for future advancement into other areas e.g. technical, quality, leadership. Offering a steady, long-term employment opportunity in a bright, team-oriented, climate-controlled work environment.

**Job Duties**

Successful candidates will be offered a 15-month fixed-term contract, with potential to go permanent. You will work in the manufacturing production area building automobile seats from start to finish.

- Perform high-speed assembly operations to meet customer quality, cost and delivery requirements
- Reading, interpreting and accurately executing operating procedures
- Appropriately and safely use tools and equipment, following operation standards,
- Responsible for verifying the accuracy of all completed work
- Communicate any quality and safety issues to management promptly
- Maintain a clean and safe work environment
- Meeting daily quotas for production in a fast-paced environment
- Responsible to wear all required Personal Protective Equipment (PPE) as assigned
- Expected to perform other duties as required and assigned

**Requirements**

- **Must be at least 18 years old**
- **Access to reliable transportation required**
- **Ability to work two-week rotating shifts**
- **Three months experience in Manufacturing or physical role**
- Looking for people with an eye for detail and a passion for quality
- Ability to read and interpret documents such as safety rules, operation standards, and check sheets

- Good organizational skills
- Strong communication skills
- Ability to work independently with minimal supervision
- Ability to work well with others in a diverse population

#### **How to apply**

**To apply please submit resume to [HRQR@rncces.ca](mailto:HRQR@rncces.ca) for pre-screening and consideration. Include a note indicating why you are a good fit for this position.**
