

Purpose of the Leah S. Vines Scholarship Fund

The Leah S. Vines Scholarship Fund is designed solely for charitable and educational purposes and to assist in providing financing to deserving high school seniors. Its aim is to financially assist eligible students in their efforts to achieve a college degree.

The overall purpose for the Leah S. Vines Scholarship is to motivate high school seniors in their efforts to launch a successful career, and become effective leaders in tomorrow's society. The Fund recognizes academic excellence. In order to qualify each applicant must be accepted into a four-year accredited college and he or she must have a 3.0 GPA or higher; must be seeking a degree in one of the following majors. The School of Design, Business Administration, or Natural Sciences. Each applicant must also live in or have roots in Edgecombe, Pitt, Nash, Wilson, Wake or Orange County; meaning they must have relatives living in at least one of the aforementioned counties.

Since our inception in 2015, we have set out to accomplish our purpose by expanding the number of scholarship recipients from 3 in 2016 to 4 in 2017. With your contributions and donations, we plan to see that number grow.
