

Changing OUTCOMES for practices/clinicians!

HANDS-ON workshop Reach NEW DEPTHS in Periodontal Therapy

4 unique cases and 'working model' protocols to support change

Best presenter I have ever met!!! Great class. Would definitely recommend it!! Awesome material and equipment were available to us. **Fort McMurray DDS**

I loved the workshop! You made me proud to be a hygienist. I loved the passion and enthusiasm, your workshop was very worthwhile! **Edmonton RDH**

I travelled from Edmonton to Ottawa to participate in the workshop and LOVED IT! I will attend any workshop or lecture Nancy Adair does! **Ottawa RDH**

OBJECTIVES

- Leverage the therapeutic services in dentistry and adopt the changing landscape.
- Understand the NEW 2017 Classification from the AAP.
- Discuss the similarities and differences in appointments and instrument set ups, maintenance and active therapy.
- Execute the alternating pattern technique when instrumenting different cases.
- Incorporate structure and guidelines in a MANUAL to enhance a periodontal approach in: healthy adult, complex 3month maintenance (SPT), implant case and active periodontal therapy.
- Research documents included in manual for evidence-based approach.

DATE - TBA

TIME -
8:30am to 5:30pm

LOCATION - TBA

Case studies and create <u>THE WORKING MODEL</u>		
Afternoon Session	Lecture	NEW Classification overview from AAP SRP is the FOUNDATION of Periodontal Tx
	Lecture	Building a comprehensive Perio tray set up
	PRACTICE instrumenting using an alternating pattern on an implant and moderate periodontal case (<u>teeth with ledges of calculus</u>).	
	Case studies and continue <u>THE WORKING MODEL</u> *Guidelines/protocols	

Nancy Adair
BA, DipDH, RDH

Nancy Adair’s journey in the field of dentistry/dental hygiene has enabled her to be a wealth of knowledge on the evolution of dentistry. Nancy has become a dynamic motivational international speaker, a dental educator, a past CE chairperson, an integration leader, a clinical supervisor, a research team member on implants, a PERIO hygienist and founder/owner of the CE company Hygiene Excellence Inc.

The CE company is known for SUSTAINABLE science-based practice builders in the form of ‘THE WORKING MODEL’ –presentations, skill development programs and implementation.

Nancy graduated from the University of Manitoba School of Dental Hygiene and the University of Winnipeg with a Bachelor of Arts. The CE company is PACE approved by the AGD in the province of Alberta. Hu Friedy has recognized Nancy as a Thought Leader and Dentsply Sirona and J&J have deemed her as a KOL due to her continual drive and strive for dental excellence.

Approved PACE Program ProviderFAGD/MAGD Credit Approval does not imply accepted by a state or provincial board of dentistry AGD endorsement. (10/1/2016) to (9/30/2019) Alberta, Canada
