## LIVINGSTON PARISH CHAMBER OF COMMERCE RECOGNIZES HOLLY GARLAND

Congratulations to **Holly Garland** who was awarded the Livingston Parish Chamber of Commerce Scholarship on Wednesday, April 15. **Holly**, along with other students in the parish, was invited to attend a special Chambers Education Luncheon and Awards Presentation at Carter's Plantation in Springfield, La., along with both of her parents, Jeff and Tracy Garland, the guidance counselor, Mrs. Lacy Blanchard, and two of her high school teachers – Mrs. Melissa Wempren (Math) and Mrs. Jeanne Mayers (English). All were treated to a catered lunch and were able to watch Holly receive her scholarship. It was a very nice afternoon. After graduating from high school, at the top of her class, **Holly** will be attending BYU in Utah, from which she received an academic scholarship, and plans on majoring in Chemical or Biomedical Engineering. Congratulations to Holly Garland for representing Maurepas so well! We are very proud of you!

## WOLF PACK AUTISM AWARENESS

On Saturday, April 16, the Lady Wolves Softball team hosted the first Wolf Pack Color Run/Obstacle Course Fun Day! The Lady Wolves were motivated by the desire to support Autism Awareness and most importantly show support for the Lady Wolves team manager, senior Josie Carroll, who has been a dedicated fan and team member since seventh grade.

Students school wide were encouraged to get involved with categories beginning with 4 year olds on up to adults. Participants moved through a huge inflatable obstacle course, a color paint slip 'n slide, and other small obstacles at their own pace along with others in their age division. In addition to having a bunch of fun, participants received a medal for completing the course along with a plate of jambalaya.
