Foundation and PTO Come Together for CCHS Teachers

The Charlotte Catholic High School Foundation and the Charlotte Catholic High School PTO have teamed up to bring some comfort to our school's employees. The two organizations combined to bring \$4200 worth of improvements to the faculty and staff lounge.

"Our teachers are so important in the lives of our children and we wanted to find a way to show our appreciation," said CCHS PTO President Rochelle Stewart. "The lounge was badly in need of an update and we thought let's do something about it."

The lounge received new tables, chairs and barstools as well as artwork, floral arrangements and updates to the kitchen area.

"We can all relate to needing a place to take a moment to recharge during the day," said CCHS Foundation President Norm George. "We think these updates will provide that place for our teachers and staff and we thank our donors for making it possible."

The lounge was renovated over the MLK, Jr holiday weekend and was re-opened to the staff with a breakfast reception before classes starting the school's second semester.
