

Windy Hill Farm Equipment & Cattle Dispersal

January 9, 2016

Welcome –

On behalf of the Simon Family, I would like to welcome everyone to the Windy Hill Farm Equipment & Cattle Dispersal.

Bob Simon enjoyed a vision of producing and marketing both high-quality milk and genetics to the households and dairymen of Louisiana and Mississippi. The foundation of the Step Above herd was deep-pedigreed embryos and heifers from the Fletcher's Shade View Holsteins. Jerseys were added from Taylor Jersey Farm which included individuals from the family of the Top Bull of the Breed – "Regency".

Due to this vision and approach, Windy Hill has marketed over 200 cows/heifers and 100 bulls in the last five years.

Bob also stressed monitoring and care of equipment to the same high standards he set for his cattle. His untimely death provides you with the opportunity to add quality cattle and machinery to your operation.

Wishing you well with your purchases,

Chuck Coburn

Manager, Windy Hill Farm
