

**STATEMENT FROM TODD GLORIA ON CALIFORNIA LABOR FEDERATION'S
ENDORSEMENT OF HIS RE-ELECTION TO THE CALIFORNIA STATE ASSEMBLY**

“As the proud son of a hotel maid and a gardener and as someone determined to fight for working families every single day, I am honored to have the endorsement of the California Labor Federation – the representative of more than 2.1 million workers in 1,200 unions statewide, including my hometown’s San Diego and Imperial Counties Labor Council.

“I’d like to thank the Labor Council, the official voice of the AFL-CIO, for recommending my endorsement to the California Labor Federation. I look forward to continuing to work with them to create jobs, increase wages, promote local hire and grow the ranks of union workers in San Diego and throughout the State.”
