

Hi!

My name is Coach Teresa and I am so excited to work with your kids! I have been coaching gymnastics for 27 years and circus arts for 17 years. I used to compete for the University of Oklahoma

and for the University of New Mexico as a full-scholarship gymnast. I graduated with a Bachelor of Fine Arts on a dance scholarship from the University of Texas at Austin. I was also a member of the house troupe for the Asia-Pacific tour of Cirque du Soleil's show, "Saltimbanco." Our tour began with one month and forty performances in Seattle, Washington and moved overseas to reside for various lengths of time in Tokyo, Osaka, Fukuoka, Nagoya, and Nara, Japan.
