

Adoption Application

for _____ (dog name)
(if you have not selected a dog yet, leave blank)

The answers you give on this application will help us find the best possible match between you and the dogs available through JoJo's DogHouse.

We are a non-profit organization. We strive to keep our adoption fees reasonable to enable adoptions, but we have to keep them in line with all of our expenses so that we can continue to operate and rescue more dogs. Our adoption fee covers averaged expenses, including pull fees charged by shelters and animal control facilities, spay/neuter, age-appropriate vaccinations, fecal and heartworm screening and treatment as needed, heartworm and flea preventative, any other necessary veterinary care, grooming, food, toys, transport, etc.

Completion of this application does not obligate you to adopt, nor does it assure you will be approved to adopt. In the event you do adopt, this application will become part of the adoption contract.

Your answers to these questions will help us to ensure that the dogs in our care are going to a home that will ensure them a happy, healthy life.
