

In Person Services July 5th - What To Expect

In-Person Services

After months of waiting and preparation, the time selected by our elders to resume in-person services has come!! We have spent an incredible amount of time doing research as well as praying with, talking with, and surveying our church family to resume these services in a safe and balanced way. We know this plan will be perceived as overbearing for some and not restrictive enough for others. Rest assured, the elders have prepared, prayed over and reviewed these plans countless times. As you read the specifics, please keep in mind that these plans will constantly be evaluated and adjusted in the weeks ahead as the Lord leads through conviction and circumstance. If you have any uneasiness about attending after reading this plan, please continue to enjoy the services offered online. There will be no drop in the efforts to ensure the online services are done with excellence. With that being said, here we go!! For clarity and expediency, these will be presented as bullet points. If you have any questions, please feel free to contact Elder Don Smith, our board chairman. Thank you all for your understanding and prayers.

- We ask for everyone to respect each others' space by practicing as much social distancing as possible.
- Services will be approximately 55 minutes long in order to allow plenty of time to clean.

Children's Ministry

- Kindergarten and above will check in as usual and proceed to the large group area where seats will be socially distanced.
- The kids will be divided into groups and will travel to stations set up at various locations: Lesson, Craft, Game, Snack.
