EZtote9600 HD

FEATURES & BENEFITS

- innovative, versatile, multi-purpose, nesting stocking cart
- durable design easily carries up to 800 pounds
- nests in 9.76 inches - taking up less space when not in use than traditional non-nesting stocking carts
- locking latch on top shelf keeps it in upright position when nested
- replaceable top covers for both shelves available in different finishes and materials
- can be used without covers
- holds heavy items, large boxes and stocking totes
- 5" heavy duty non-marking wheels with steel roller bearings
- rear wheel brakes prevent cart from rolling while loading and unloading
- optional add-on basket to hold smaller items while stocking
- optional add-on carrier provides a smart way to break down and store boxes while out on the sales floor (carrier not pictured)

OPTIONS

- cart finish: powder coated
- standard colors: metallic grey
- custom colors: PMS match with 250pc min. order
- custom branding: logo handles
- optional add-on basket
- optional add-on box carrier

shown with optional add-on basket
