RUNNING ORDER:

The running order will be based on the order in which entries are received, except Master, where dogs are braced by random draw. Pre-entered dogs will run before the Day of Test entries. Owners with multiple entries in the same class will be split up (unless otherwise requested) to facilitate the running of the test. The Event Secretary will post the running order. It is the responsibility of the owner/handler to be aware of the running order. Dogs not present when called will be moved to the end of the running order. The judge will not wait for late arriving dogs. **Pre-entry fees will not be refunded after 3/28/2018. Day-of-Test entries will not be refunded, regardless of circumstances.**

Dogs entered in Master Earthdog must be present on the grounds and checked in with the Event Secretary prior to the time set for drawing of the braces (8:00 AM on Saturday and Sunday). Only those dogs on the grounds and checked in by the established times will be deemed starters, and entered in the random drawing for the running order. Any dog not present within five minutes after its brace is called will be marked absent by the Judge and the remaining dog in the brace will be run as or with the bye dog. The Judge is not expected to wait for late arriving dogs. Dogs owned by the same person shall not be run together if possible. The running mate for the bye-dog (if there is one) will be selected by the Test Committee.
