Section 1: Membership Numerical Limit and Waiting List

The Green Valley Sportsman's Club hereby limits the membership to 350 maximum dues paying members described below in this Article as Social members. As these categories of membership are expected to have in comparison few members, all Honorary, Lifetime, and Junior members (described below in this Article) will not count against the 350 individual membership limitation.

- A. During any given year, if and when the 350 member numerical limit is not attained, the Club will accept new applications for membership on a first submitted, first considered, basis.
- B. As well, during any given year, if and when the 350 member numerical limit is attained, the Club will not accept any new applications for membership for that year.

If, after the period for membership renewal expires, and if the club membership numerical amount is below the 350 member threshold, then these applications will be considered on a first submitted, first considered, basis.
 2. If at the end of the period of membership renewal there has been no membership turnover and the numerical limit is still attained, all such waiting list applications shall be discarded and the applications shall be discarded and the applicants will

be notified by phone call and email that they must reapply later, if they wish, for the following year.

3. All applicants will be notified by phone and via email. Once notified, there will be a period of one (1) week to accept the membership. If the membership director does not receive a reply after one (1) week, the application will be discarded. If accepted, the dues payment is due in full immediately upon acceptance. No other payment terms are available (i.e. \$10.00 per month).

Green Valley Sportsman's Club Rules and Range Safety Rules

Creation and Revision

The Executive Board and Board of Directors will carry out a policy of adopting and enforcing range rules which are adequate, reasonable and enforceable. These rules replace and supersede all previous range rules. The Executive Board and Board of Directors may revise and further redefine these rules in the future.

In order to become fully qualified as an effective Club Member, we urge you to observe and hold to these simple tenets:

- 1. Know your By-Laws;**
- 2. Attend your Monthly Club Meetings;**
- 3. Be prompt in payment of dues;**
- 4. Accept any assignment authorized by your Club;**
- 5. Take seriously the obligation of Club fellowship and do not form cliques or undermine decisions of the Club;**
- 6. If you have any concerns/grievances, the Club meeting is the only place they should be discussed;**
- 7. Remember, the decision of the majority rules on all occasions;**
- 8. Remember, this is your Club and your active support will bring about better conditions.**

Discipline and Enforcement

Membership is a privilege with a responsibility. Shooting is also a privilege with a responsibility. Every member has a responsibility to be familiar with, understand, follow and help enforce Club rules. Willful or negligent disregard for any of these rules will result in disciplinary action up to and including expulsion from the Club and possible civil or criminal penalties.
