Good Day,

I would first like to thank you for your support over the past 10 years. The Highway 11 Cruisers C.C. was started in the summer of 2010 by a small group of like-minded individuals who have grown to be more than a great group of friends we are more like a family. We started with the purpose of bringing people together for a good time and a good cause. The club has now grown to a membership of over 200 dedicated members and continues to grow every week. One of the many things that set our club apart is that we charge no membership fees or dues to join or to be a member. All that we ask of our membership is that they donate their time when possible throughout the year to help organize and run our different events.

Our membership is made up of a wide-ranging group of individuals and families with people coming from many different geographical areas and backgrounds. The thing that draws us all together is our common love for our rides. The Highway 11 Cruisers is an all-inclusive organization which means we welcome all genres of vehicles from classics and custom cars, trucks, motorcycles and special interest vehicles.

The club has been raising money for various charities over the years including Big Brothers Big Sisters of York, Children's Wish Foundation, Camp Quality, JumpStart, SickKids, Ernie's Journey/ United by Trauma, Southlake Regional Health Centre, Princess Margaret Cancer Centre, Canadian Crime Victims Foundation, MS Society, Youth Unlimited and many more. We do this through such events as our Larger Weekend Car, Truck, & Bike Shows we hold throughout the summer at several locations such as the Esso Travel Centre in Bradford, & PartSource Newmarket as well as our weekly cruise nights. This includes our annual season-ending event which has been held at the Gormley Go Train Station on Stouffville Sideroad just west of Highway 404 in Richmond Hill for the past 3 years which raised over \$40,000 for Big Brothers, Big Sisters of York since its inception Our weekly Home of the Hot One's Cruise Nights at the Harvey's and the Home Depot on Yonge Street in Newmarket which usually runs from the end of April until the end of October annually.

Since our inception, the Highway 11 Cruisers have been directly involved in raising over \$130,000 for charity both from funds directly raised by the club and from other fundraising events we have assisted in organizing. We have also assisted the Run for Southlake raise over \$700,000 with our members providing traffic control support.

We are honoured to have a number of both local, national, and multinational sponsors and supporters over the past ten years including Mothers Polish & Waxes, the NewRoads Automotive Group, Hagerty Canada, BASF, CarStar, Lucas Oil, Imperial Oil, PartSource, PACE Law Firm, Line-X Coatings, and many more great sponsors. Due to our great sponsors like you, we have been able to maximize our donations to charity and keeping our operating expenses as lean as possible.

The mandate for the Highway 11 Cruisers as set out by our board of directors is a set of very simple guidelines and they are as follows:

- If our community needs help, band together and give back to the community.
- Work with local businesses in the community to run club functions.
- Build and maintain relationships and lasting friendships among the members using communication and participation at Highway 11 Cruisers events.
- Most and foremost, support local charities through fundraising drives to give back to the community that we sometimes don't take the time to acknowledge.

We would like to invite you to continue your support as a sponsor of our ever-growing club and help support the community events we organize and the charities that we raise funds for. As always we have several sponsorship opportunities available for you to choose from:

DOOR PRIZE -

Includes your name and company recognition during the draw for your item.
