

Central Alabama Heart of Dixie Cutting Horse Assoc.

Scholarship Program for 2016

Youth from the Southeast will compete for scholarship money throughout the year at Central Alabama Heart of Dixie CHA shows. The shows will take place at the Crawford Arena, Montgomery Alabama. All shows are NCHA (National Cutting Horse Association) approved and regulated.

The youth competitors are driven by their love of cutting, competition and their desire to improve their skills. Both the Heart of Dixie CHA and NCHA encourage the youth participants to develop and continually improve several leadership skills to include: communications, decisiveness, consistency, persistence, motivation and overall good sportsmanship in a positive and supportive environment. This scholarship drive is aimed at promoting higher education for the youth competitors.

Our goal is to raise \$5,000 that will be awarded to the top three youth competitors that compete in 75% of the Central Alabama Heart of Dixie Cutting Horse Association shows for 2016.
