CLUB NEWS & UPDATES

REPORT: Toys for Tots Collection

Although "Mother Nature" threw a Grinch or two into our show, we did pretty well, considering.

Show day cash donations, non-auction sales and a small 50/50 raffle yielded a total of \$1,228. Several late donations, a donation in memory of Club member Bryan Smith by his employer and a donation of a couple hundred bucks by the Club added another \$500, pushed the total to \$1,728.

We also collected 139 toys, 1 bike and 2 extra large Teddy Bears.

We left a collection box at Handy Ace Hardware, which continued to collect more toys, adding an AMAZING 138 more to the total.

TOTAL: 280 Toys and \$1,728. Not bad at all for a wet, wet show day!

Sweetheart Cruise-in Has a Home

It was looking like our 9th annual Sweetheart Cruise-in wasn't going to happen in '23. After losing our host from '22, we thought it would be an easy task to find a new one. *WRONG!* We went down a long list with a variety of reasons that they wouldn't be a good fit. At our Christmas Party, Dennis Williams suggested Gateway Classic Cars. Now why didn't we think of them earlier??? On Monday morning an email inquiry was immediately answered with a YES, and plans are in "High Gear!" We are really looking forward to our first show with Gateway!

Thanks to Steve O'Neal!

A special "Shout-out" to Steve O'Neal! Steve pulled the Club trailer to our Toys for Tots show, a task we always appreciate. As everyone knows, we had a little of the wet stuff fall on the show. After everything was packed up, still wet, Steve took the trailer back to his house.

On Sunday, he opened up all the doors to help dry everything and even took all the canopies out and opened them up to dry.

Thanks, Steve! GREAT JOB!

** Although this show was not a planned Cool Cruisers show, we stepped in last minute and basically did all aspects of the event.*

Blue Skies Turned to a Steady Rain as Our Toys for Tots Cruise-in Started **The Grinch (Mother Nature) Stole Our Christmas**

We *SHOULD* have known, but we thought it was just a children's movie, so we put a cute little Grinch in his Hot Rod on our show flyers, posters, t-shirts and even the awards. But *NOW* we know, the Grinch (and Mother Nature) really does steal Christmas! *Lesson learned!*

The show day weather forecast looked "iffy" all week and we thought about delaying the show to the following Saturday, but that would cause a boat-load of work and issues, plus the extended forecast for the 18th didn't look much better. On Friday evening, it looked like we would be okay. On Saturday morning, rain was all but taken out of the day's weather and arrived at Handy Ace to set-up with blue skies. Then it went south. The rain that was tracking north of us shifted south and the rains came, and STAYED.

We were counting on around 150 show cars, we got 40, we had to cancel our auction, cover everything we could and just wait it out. Around 1:00 pm, we had a break and gave out the awards (amazingly all the award winners stuck around).

All was not lost, as we did manage to collect 139 toys, 1 bike, 2 very large teddy bears and \$1,228 in cash. The club added another \$500 plus Handy Hardware requested the Marines leave an empty box to collect additional toys. That worked out extremely well with an additional 138 toys. Our GRAND TOTAL: 270 toys and \$1,728 in donations. Not our best, but not too "Shabby" for a wet show day! Thanks to all that donated!

Of course there are MANY thanks to pass out for this show . . . Our A-Team did an excellent job of setting up, covering everything from the rain and packing it up when we were done. They also handled the event T-shirt distribution, registration and setting up for the auction. Our retired Marines did an outstanding job, along with the Handy Hardware staff plus Mike Perry and his crew. Mike set up his grill and took care of everyone that braved the rain.

We are looking forward to returning next year, but the Grinch is **NOT** welcome!

You can see how wet it was in the photos! See page 2 for all the show winners.

GCC Holiday Party 2022: *Friends - Food - Fun!*

For the third year in a row, Steve & Karen O'Neal welcomed Club members to their home for the 2022 GCC Holiday Party on December 11th. Thirty Cool Cruisers gathered to enjoy fabulous food, fellowship and Karen's beautiful Holiday decor.

Karen & Steve provided ham, rolls, beverages, a warm fire and cats to visit. Everyone brought a dish (or two) to share, ensuring that no one left hungry. We had an amazing array of salads, appetizers, sides, casseroles and desserts.

After stuffing ourselves with "just one more little taste" of those delicious dishes (some of you need to share those recipes!), Rick gave out the Annual A-Team Awards and Sponsor recognition, as well as giving an update on 2023 events. As always, Billy Wright couldn't just be a guest, he came with camera in hand to take photos of the fun. Once the A-team was recognized, we had our Ornament Exchange and Ugly Sweater contest.

Some of us were having trouble getting into the Holiday season but this gathering reminded us of the amazing Blessings that our Club members/family are: the love and generosity that you bring to our Club, our events, our communities and our causes. Happy Holidays to all and a Healthy, Happy New Year!
