

**To The Homeowner:**  
**Re: Open Gardens for the 2017 Lewiston GardenFest**  
**Saturday, June 17 and Sunday, June 18**  
**10:00AM to 5:00PM each day**

Open Garden Walks are a wonderful way to share private garden landscapes with other garden enthusiasts. Each garden is an expression of the home owner's unique personality and creativity. Gardens also reflect the gardener's love and appreciation of nature's variety of colors, shapes and textures.

We, in the Lewiston Garden Club, sincerely appreciate your willingness to share your lovely garden on GardenFest weekend. To help us in describing and listing your garden in our brochure, indicating your preference in the following areas will be helpful.
