This weekly bulletin is put into place by our President Tom Teach, just to summarize the meeting highlights, announce upcoming dates, and important reminders for the coming week/events.

Today's Guest Speaker: Ron Jacobs (Just Ace It!) was the speaker. He informed us about a program he has developed, and manages, for children in the 5 county area....tennis. There are 6 schools in Tuolumne Co he oversees, and has a wonderful time doing it. If anyone is interested in talking with him, contact him at infor@justaceit.net.

Special Notes:
