

Leadership Report
Dawn Haberkorn, Chair
Christ the King, Cedar City
November 4, 2023

Leadership has had a few things going on in the last couple of months. We have a draft of the changes to the Convention Guidelines. The draft will be sent out for members to read before the November 4th meeting. The changes include the change from Sponsorship to Scholarship throughout the document. Pg. 24 is adding the \$500 bus transportation check to the Treasurer's duties, we also eliminated the need to provide the DOM with names of Scholarship recipients on pgs. 17 & 37. This will be reviewed and discussed at the meeting.

Respectfully submitted,
