## Cheers to 40 Years!!

What an exciting evening we have planned for you tonight as we celebrate our 40th year of bringing fabulous food, fun and frolic to our community.

It is an amazing testament to our community that people from all over the region come together to celebrate and support St. Luke Catholic School. The auction has continued to grow and has increased the amount raised to keep the cost of tuition down. Every parent who commits to a Catholic education for their child/ren receives a tuition discounted from the actual cost to educate a student. This would not be possible without the dedicated parent community, the auction sponsors, donations and attendees. We hope you enjoy your evening and find many items to bid on!

Over the past year, the support from the parents, parishioners and community have enabled the following at St. Luke Catholic School:

- A new set of outdoor swings
- Library Improvement :Replacement of 30+ year old books, new carpeting, paint and mural, new tables & chairs.
- New windows on the west side of the school, and new window blinds throughout the school and preschool
- New roof
- New heating and air conditioning system (with the removal of the 1950 boiler)
- Middle school electives

We have faith our community will continue to grow and strengthen our programs at St. Luke Catholic School. Remember to celebrate this blessing of a successful 40<sup>th</sup> year by raising your paddle to purchase 50 new laptops, 2 mobile carts and flexible dollars to add to our developing STEM program. Enjoy the celebration and the knowledge that you are part of a supportive community that values a strong Catholic education for all students! We ARE St. Luke!

Blessings,

## Kindergarten Quilt

Featuring a new design, our amazing quilter, Mary Tennant, created a strip quilt with seven strips of fabric in happy colors, including turquoise, yellow, green, and coral. The bright colors are set on a backdrop of grays and whites, letting those sweet, small kindergarten handprints steal the show. Mary and her late husband, Tom, saw their three children through St. Luke School, and now Mary's granddaughter attends preschool here. Their family is overwhelmingly generous to our community, and Mary's beautiful quilting on this keepsake quilt is a true gift.

### *In Recognition .*

On behalf of the St. Luke Parent Club, we would like to recognize all pastoral, custodial, administrative and school staff – especially our dedicated teachers, who work tirelessly and without complaint to ensure a safe and clean environment in which to foster Catholic education. The care and use of Rubis Hall and the gymnasium are the result of a school and parish-wide collaboration and we are most grateful.

We would also like to take this time to reflect on the generosity of the people who in the past forty years have shared their time, energy and talents with us. We are blessed to have such a supportive community that comes together each and every year to make the St. Luke Annual Auction and Dinner a success.

## Meeting the Challenge

Each year, staff eager to infuse students with an understanding of their place in the world as a child of God, enter our classrooms prepared to meet that challenge on a daily basis. As a donor community, we are helping to meet the financial challenge.

Joe Weston, Portland area philanthropist, understands these challenges and endeavors to partner with us to meet them. This year he is matching up to \$20,000 for student financial assistance and \$30,000 for the school foundations across the Archdiocese. We encourage your consideration of helping a meet this match challenge.

Over 26 years, the Foundation has contributed \$753,000 to fund school operations. With \$1,050,000 under investment, the Foundation Board has committed \$53,000 to school operations this year alone. A vision that began in 1980 is bearing fruit. We are grateful to all who have joined us on this journey, and encourage others to join in.

Our appeal for 2018-2019 recently started. Many matching grants are available that help augment your donation. You can help us reach our goal by rounding up your auction purchases this evening at checkout. Thank You!
