Liability & Insurance

USA Fencing Membership: USA Fencing is the governing body of all fencing activity in the United States. Per USA Fencing requirements, every fencer that registers for a beginner level fencing instruction must become a member of USA Fencing in order to be covered by insurance. New fencers should register here (www.railstation.org/usfencing/) and show proof of membership at their first class/lesson. Non-competitive membership costs \$10 per fencing season (Aug 1-Jul 31). Fencers can upgrade to competitive membership level prior to their first competition (\$70 per season).
