

WPS Agricultural Establishment Overview

Friday, January 17, 2020

8:30 am to 12:30 pm

Aims Community College

260 College Ave; Prairie Bldg Room 206; Fort Lupton

—∞—

This workshop will provide an overview of the Worker Protection Standard (WPS). It is specifically designed for individuals who maintain a Colorado Pesticide Applicator's license to train workers/handlers under the WPS trainer requirements not to use a Restricted Use Pesticide. This workshop will provide ALL seven required core credits for pesticide applicator license recertification:

- Laws & Regulations (2 credits)
- Applicator Safety
- Public Safety
- Environmental Protection
- Use of Pesticides
- Pesticides & Their Families

—∞—

Please join us at 8:00 am for coffee.
