Mail your completed registration form, along with your registration payment of \$20.00 per family, to the Fairport Dance Academy as soon as possible. Classes fill very quickly.

Students are expected to have proper dance attire prior to the first week of class. See Studio Handbook pages 8-9 for Dress Code and Shoe requirements. It is very inconvenient to do shoe fittings once classes start in the fall. Do not take away from your class time by coming in for shoes during the first week of classes.

Samples of dance shoes and dancewear will be available for you to try on and order during your assigned time below. You may also bring in used **jazz or tap** shoes that are in good condition to donate or exchange.

Please wear or bring your tights to shoe fittings, if possible.

Note: Students should not register for Pointe and Ballet on the same day of the week.
