

Pine Valley Benchrest had their last 250 yd clay bird match for 2014 on Sept 13. We had 41 shooters ignore the weather forecast and come shoot. Rain held off Friday for practice and Sat. for the match. Six shooters cleaned the match breaking all 40 targets with 40 shots. A one shot closest to center shoot-off decided first thru third.

First place- Richard Pullum \$300.00

Second place- Judd Lassiter \$200.00

Third place- Rolando Eviles \$100.00

First place women- Tracy Holbrook \$100.00

First place youth- Will Toronjo \$50.00.

After three matches we had a three way tie for Shooter of the Year. They only dropped 2 points in three matches.

Denny Henderson 118/120

Richard Pullum 118/120

Dewayne Pullum 118/120

After the shoot off, Denny Henderson became our Shooter of the Year for 2014.

Just a fun fact- we broke 3971 mini clays in three matches.

Thank you to all who attended this year. Special thanks to Tommy Middleton and Darrel Martin for their never ending help setting up the matches and building target backers.

Thanks to the Pullum brothers for staying after each match and helping take down the targets and clean up.

Attached are the score sheets from match 3.

I will announce next years match dates and format soon.

Mike Cockcroft.
